

Dato' Dr. Lee Joon-Kiong DSPN, DJN , Consultant Orthopaedic Surgeon, Beacon Hospital & APCO Member, Petaling Jaya, MALAYSIA

Dato' Dr. Joon-Kiong Lee is the Deputy Medical Director, Head of the Department of Orthopaedic Surgery and Consultant Orthopedic Surgeon at Beacon Hospital, Petaling Jaya, Selangor, Malaysia, where he also acts as Chief Coordinator and Leader for its Fracture Liaison Service (FLS). He also practices at the Advanced Neuroscience and Orthopedic Center (ANOC), Kuala Lumpur.

Concurrently, Dato' Dr. Lee is the current President of the Association of the Fragility Fracture Network of Malaysia, and also serves as Chief Coordinator of the Fracture Liaison Service National Framework under the Fragility Fracture Network of Malaysia. Dato' Dr Lee Joon-Kiong is also a member of the Bone Health Alliance of Malaysia, and a member of the steering committee for the Asia Pacific Bone Academy and South East Asia Bone Academy.

Dato' Dr. Lee is the Coordinator for both the Asia Pacific Orthopaedic Association (APOA) – International Osteoporosis Foundation (IOF) Orthopaedic Initiative Program and the IOF-ISCD-AFOS (Asian Federation of Osteoporosis Societies) Tripartite Regional Alliance.

He also serves as the current Chair of the Asia Pacific-South Africa Regional Advisory Council (RAC) of the International Osteoporosis Foundation (IOF), and is author of the IOF Asian Audit (Malaysian Chapter) 2009 and Asia Pacific Audit (Malaysian Chapter) 2013.

Dato' Dr. Lee is current President, Board Member and Executive Committee Member of ISCD (International Society for Clinical Densitometry) and Past Chair of the ISCD Asia Pacific Panel.

Dato' Dr. Lee is the Founding and Immediate Past President of the Osteoporosis Awareness Society of Kuala Lumpur and Selangor (OASKLS) – Patient Society, and also the Past President of Malaysian Osteoporosis Society (MOS) – Doctor Society in Malaysia. In addition, he is the Founding Member of AFOS.

“APCO is an important initiative, developing tangible solutions to tackle the significant challenges involving osteoporosis management and fracture prevention in the Asia Pacific,” said Dato' Dr. Lee.

“Under APCO, osteoporosis experts from several countries in the region have united to address the compounding burden of Asia Pacific’s rapidly ageing society.

“Launch of the APCO Framework will serve as catalyst for improved osteoporosis guidelines throughout the region,” Dato' Dr. Lee said.
